Specified Gravity	1.00 g/cm ³	✓ Safe for All Types of Glass	
Hazard	Non-Hazardous	✓ Streak-Free and Residue-Free Finish	
Application	Detailing/After Care	✓ Professional Quality Results	
Storage	5-35°C/41-95°F		

- Directions:**
1. Ensure glass surfaces are cool to the touch before application.
 2. Shake well before use. Spray AUTOTRIZ Sparkle directly onto the glass surface to be cleaned.
 3. Using a clean, lint-free microfiber cloth, wipe the surface in a circular motion. For stubborn stains, allow the solution to dwell for a few moments before wiping.
 4. For optimal results, buff the glass with a dry, clean microfiber cloth to achieve a streak-free shine.

Precaution: KEEP OUT OF REACH OF CHILDREN.
