Appearance	Cream	**Product**	Extreme Cut 801
Cut	8/10	**Group**	Polishing
Gloss	>5	**Category**	Alternative
Speed	Alternative	**Volume**	1L (AT-PC-801)
Pressure	Moderate	**Application**	Body Paint
Abrasive effect	Scratch removal	**Complimentary**	Wool/Foam Pad
Specified Gravity	1.21 g/cm³	**Industries**	Detailing/Paint shops
Hazard	Non-Hazardous	**Storage**	5-35°C/41-95°F

Directions: Shake bottle well before use. Work on a cool and clean surface.

DA Application: Apply product to the AUTOTRIZ Medium Cut Wool Pad (AT-WP-MC), or Medium Cut Foam Pad (AT-FP-MC), or Fine Cut Foam Pad (AT-FP-FC). Set machine speed to 4-5, Apply moderate to light pressure with 3-5 overlapping passes until desired cutting result is achieved.

Rotary Application: Set rotary polisher speed to 1500-2000RPM. Use AUTOTRIZ Heavy Cut Wool Pad (AT-WP-HC) or Medium Cut Foam Pad (AT-FP-MC). Apply product on paint surface directly, work on 2'x2' area at each time. Apply moderate to light pressure with 3-5 overlapping passes until scratches and sanding marks are removed.

Removes residue with a AUTOTRIZ Microfiber Cloth Ultrafine (AT-MT40). For final polishing, use AUTOTRIZ Supreme Polish (AT-PC-402).

Tips: Clean pads frequently. Use AUTOTRIZ Surface Prep (AT-CC-SP) to remove residue and check for any defect.
